

# Reach Update

June 2021

Supporting people with learning disabilities across Nottinghamshire

reach

We hope that as Covid restrictions ease, you are enjoying meeting up safely with friends and family. Life is slowly returning to slightly more familiar ways at Reach and you can read more about that in our centre round-up.

In this issue, you'll find an update on our 'At Home in My Community' fundraising appeal and you can watch Chelsea, Amelia and Sarah share their stories about why staying in Southwell is so important to them and their families in our accommodation film.

We also say thank you to our wonderful volunteers during Volunteer Week and find out more about a new set of workshops being run by our Reach Out Stop Exploitation (ROSE) project mentors.

Read on to find out about all we've been up to recently and ways you can support our work and stay in touch.

Warm regards

*Steve*
