

Reach Update

October 2021

Supporting people with learning disabilities across Nottinghamshire

reach

I am pleased to announce that Reach is once again taking part in The Big Give Christmas Challenge this year. From 30th November to 7th December, we will be raising funds for our Holidays & More Project to offer our clients opportunities to see new places, try new activities and make great memories with their friends. Watch this short film of our previous holidays and days out - a lovely reminder of fun times we've shared and can hopefully now look forward to again.

Are you or someone you know seeking a varied and fulfilling role? Read on to find out more about current opportunities at Reach Care – it's so much more than just a job.

In this issue you can also read our Centre Round-up to see what clients have been up to in our centres recently.

I hope you enjoy reading our newsletter and finding out more about our work.

Warm regards

Steve
